OUR WHY

Roy is a Veteran we lost to suicide in December 2023, one of 4 bikers that died by suicide in a 2 month period. Roy's family was the first suicide loss scene that the Trumbull County LOSS Team was able to offer immediate support to after being dispatched by the coroner's office. The family has chosen to honor Roy on May 18, his birthday, to celebrate his life and remind riders that we are there to offer support and suicide prevention training. They have chosen Trumbull County LOSS as a beneficiary under our 501c3 Grief and Loss in Motion. Organizations and vendors can set up for a \$10 donation to reserve space. For organization information visit www.suicidepostvention.org or call Amy Zell 330.506.1232. For Information on the Heathen Crew Steel Hammerz LE MC , visit: HeathenCrewSHLEMC.com.

Thank you: **Danny Lopez**
